Kottayam, Kerala · +91 6238835664 · [abhilash.pannikottil@gmail.com](mailto:abhilash.pannikottil@gmail.com) · [Linkedin](#) · [Website](#)

Committed to continuous learning and development to enhance skills and contribute effectively to projects. Strong problem-solving abilities and a collaborative team player, eager to tackle new challenges and deliver high-quality solutions.

## PROFESSIONAL EXPERIENCE

Bengaluru, KA

2023 July – Present

### Programmer (Frontend Team)

- Developed and maintained responsive web applications using HTML5, CSS3, and JavaScript, ensuring cross-browser compatibility and adherence to industry standards
- Leveraged React.js to build interactive user interfaces, enhancing application performance and user engagement across multiple projects
- Utilized Git and GitHub for version control and collaborative development, effectively managing codebase and facilitating team collaboration in Agile environments
- Implemented mobile-first design strategies using frameworks such as Bootstrap and Tailwind CSS, ensuring optimal user experiences across various devices.
- Integrated RESTful APIs to connect front-end applications with back-end services, enhancing application functionality and user experience.
- Designed reusable components in React.js to streamline development processes, improving code maintainability and reducing redundancy by 25%

Chennai, TN

2022 July – 2023 July

### Graduate Trainee

- Completed an intensive training program (TCS Ignite) focused on software development, covering core concepts such as object-oriented programming, data structures, algorithms, database management and Web Development
- Created responsive layouts using CSS-in-JS libraries like styled-components, ensuring optimal user experiences across devices and screen sizes
- Learned web development technologies including HTML, CSS, JavaScript, and frameworks like React
- Maintained comprehensive documentation of components and application architecture, promoting best practices and facilitating onboarding for new developers

Kochi, KL

2022 June – 2022 July

### Intern

- Completed an internship in Python , Django and created a responsive website for the client and collaborated with team members to fix the bugs and maintain the project.

## EDUCATION

Mahatma Gandhi University, Koothattukulam, KL

2019-2022

### Bachelor of Computer Application, BCA

- Learned basics of programming, DSA, DBMS, Network and other computer concepts.
- Developed Job Searching Website and Online Blood Bank Application for college project.

## SKILLS & OTHER
